# Regular-Duty Single Edge Razor Blades (Dispenser Pack 10)

American Line branded top quality regular duty carbon steel single edge razor blades with an aluminium spine that are ideal to fit into a scraper tool. For hand use they have the advantage that the blade can be bent to the contour of a convex surface for effective cleaning e.g. windscreens. A blade with an aluminium spine. It is supplied in a carded safety dispenser of 10 blades convenient for storage of new and used blades.
